Bio

BIO

Nathaniel Coggins, M.D. is a palliative care and emergency medicine physician specializing in the implementation and dissemination of palliative care in the emergency department setting. Dr. Coggins holds dual-appointments as Clinical Assistant Professor in the Departments of Medicine and Emergency Medicine and is the Program Director for Stanford Emergency Palliative Care.

Dr. Coggins received his medical degree from the David Geffen School of Medicine at UCLA in 2019, where he was a recipient of the David Geffen Medical Scholarship. He completed his emergency medicine residency training at UCLA and hospice and palliative medicine fellowship training at the University of Utah. Dr. Coggins joined Stanford University as faculty in 2024, where he is an attending physician on the inpatient palliative care service and in the adult emergency department.
