Elaine Hsiang

Clinical Assistant Professor, Emergency Medicine

CLINICAL OFFICE (PRIMARY)

- **Stanford Adult Emergency Department**

  1199 Welch Rd

  Palo Alto, CA 94304

  Tel (650) 723-5111 **Fax** (650) 721-3448

Bio

BIO

Dr. Elaine Hsiang (she/her) is a clinician-researcher within the Department of Emergency Medicine at Stanford University. Her research focuses on LGBTQIA+ health, with particular attention to how intersectionality and experiences of marginalization shape health-seeking behaviors and health care utilization. Her broader portfolio includes work on substance use and HIV-related outcomes, language equity, equity within digital health innovations, and LGBTQIA+ content in graduate medical education.

CLINICAL FOCUS

- Emergency Medicine
- LGBTQIA+ Health

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Emergency Medicine
- Member, Maternal & Child Health Research Institute (MCHRI)

PROFESSIONAL EDUCATION

- Fellowship, Department of Emergency Medicine, Stanford University School of Medicine , Social Emergency Medicine and Health Equity (2026)
- Board Certification: Emergency Medicine, American Board of Emergency Medicine (2025)
- Residency: UCSF Emergency Medicine Residency (2024) CA
- Medical Education: University of California at San Francisco School of Medicine (2020) CA
