

## Krysta Suzanne Barton

Senior Research Scholar, School of Medicine - Biomedical Ethics

### Publications

---

#### PUBLICATIONS

- **Facilitators and Barriers to Implementing Mobile Mental Health Interventions: Qualitative Study of the Consolidated Framework for Implementation Research in Pediatric Oncology Providers.** *Journal of medical Internet research*  
Hong, S. J., Patton, M., Barton, K. S., Palermo, T. M., Mulholland, K., Chow, E. J., Lau, N.  
2026; 28: e87533
- **Expert recommendations for the conduct and appraisal of qualitative research in oncology** *LANCET ONCOLOGY*  
Kaye, E. C., Bogetz, J., Barton, K. S., Bell, C. J., Johnston, E. E., Pozzar, R. A., Superdock, A., Thorne, S., Weaver, M. S., Wiener, L., Graetz, D. E., Appl Qualitative Res Working Grp 2  
2026; 27 (2): e84-e100
- **The power of words: evaluating the role of qualitative methods in cancer research.** *The Lancet. Oncology*  
Graetz, D. E., Sisk, B. A., Salek, M., Blazin, L. J., Wakefield, C. E., Tarbi, E. C., Thorne, S., LeBlanc, T. W., Hinds, P. S., Traeger, L., Kaye, E. C.  
2026; 27 (2): e73-e83
- **Expert recommendations for the conduct and appraisal of qualitative research in oncology.** *The Lancet. Oncology*  
Kaye, E. C., Bogetz, J., Barton, K. S., Bell, C. J., Johnston, E. E., Pozzar, R. A., Superdock, A., Thorne, S., Weaver, M. S., Wiener, L., Graetz, D. E.  
2026; 27 (2): e84-e100
- **A photo-narrative intervention protocol for clinicians and parents of children with severe neurological impairment in the PICU** *CONTEMPORARY CLINICAL TRIALS COMMUNICATIONS*  
Bogetz, J., Ayala, E., Anderson, J., Morris, L., Barton, K. S., Bradford, M. C., Zhou, C., Yi-Frazier, J., Watson, R., Rosenberg, A. R.  
2025; 44
- **A photo-narrative intervention protocol for clinicians and parents of children with severe neurological impairment in the PICU.** *Contemporary clinical trials communications*  
Bogetz, J., Ayala, E., Anderson, J., Morris, L., Barton, K. S., Bradford, M. C., Zhou, C., Yi-Frazier, J., Watson, R. S., Rosenberg, A. R.  
2025; 44: 101455
- **Return-to-School Experiences of Adolescents After Allogeneic Hematopoietic Cell Transplant: A Qualitative Interview Study of Transplant Recipients.** *Pediatric blood & cancer*  
Do, O. A., Ohlsen, T. J., Shipman, K. J., Ballard, S. A., Jenssen, K. M., Baker, K. S., Rosenberg, A. R., Barton, K. S., Bhatt, N. S.  
2024: e31481
- **A Photo-Narrative Intervention for Children with Severe Neurological Impairment in the PICU.** *Journal of pain and symptom management*  
Bogetz, J., Oslin, E., Meissner, E., Trowbridge, A., Anderson, J., Morris, L., Barton, K. S., Yi-Frazier, J., Watson, R. S., Rosenberg, A. R.  
2024
- **Parents' Experiences With and Preferences for Receiving Information About Tumor Genomic Sequencing: Findings From a Qualitative Study and Implications for Practice.** *JCO precision oncology*  
Greene, B. L., Barton, K. S., Bonkowski, E., Stasi, S. M., Waligorski, N., Marron, J. M., Rosenberg, A. R.  
2024; 8: e2400543
- **"Before Facebook and before social media...we did not know anybody else that had this": parent perspectives on internet and social media use during the pediatric clinical genetic testing process** *JOURNAL OF COMMUNITY GENETICS*  
Barton, K. S., Wingerson, A., Barzilay, J. R., Tabor, H. K.  
2019; 10 (3): 375-83

- **"Before Facebook and before social media we did not know anybody else that had this": parent perspectives on internet and social media use during the pediatric clinical genetic testing process.** *Journal of community genetics*  
Barton, K. S., Wingerson, A., Barzilay, J. R., Tabor, H. K.  
2018
- **Pathways from autism spectrum disorder diagnosis to genetic testing.** *Genetics in medicine : official journal of the American College of Medical Genetics*  
Barton, K. S., Tabor, H. K., Starks, H., Garrison, N. A., Laurino, M., Burke, W.  
2017
