

Stanford

Haoran Jia

Masters Student in Statistics, admitted Autumn 2024

Bio

BIO

Hello! I'm Haoran Jia, a M.S. Statistics Data Science candidate. With proficiency in Python, R, and SQL, I have prior experience in providing data science insights for startups, developing ML models for data science software, and researching topics related to deep learning and statistical inference. My passion for data science drives me to continuously engage in projects in the fields of DS, ML, and LLM.

EDUCATION AND CERTIFICATIONS

- B.S., University of California, Los Angeles , Applied Mathematics (2024)
