Zehua Zeng

Graduate Visiting Researcher Student, Genetics

Bio

BIO

Zehua Zeng is currently a visiting PhD Student at the Qiu lab of Department of Genetics at Stanford. Zehua's Ph.D. work at University of Science and Technology Beijing with Dr. Hongwu Du and Sun-Yet-sen University with Yuanyan Xiong made critical contributions to the field of multi omics analysis and Agent systems, exemplified by the development of OmicVerse for building one of the largest multi-comics algorithm community.
