

Stanford

Carly E. Jones

Postdoctoral Scholar, Radiology

Bio

BIO

Carly completed her BAsC in Engineering Physics (UBC) in 2017. She began the MASc program in Biomedical Engineering at UBC in 2017 and transferred into the PhD program in the spring of 2019. Carly successfully defended her PhD thesis in July of 2024 and began a Postdoctoral Fellowship at Stanford University in September of 2024 in the Radiology Department. Carly received the Young Investigator Award from the International Society of Osteoarthritis Imaging in 2019 for her work on cartilage health in hips with bone marrow lesions. She is also a passionate educator and received a Killam Graduate TA Award in 2021 for her TA work in the Mechanical and Biomedical Engineering Departments at UBC.

HONORS AND AWARDS

- Andrew Nord Fellowship in Rheumatology, Estate of Andrew Nord (UBC Affiliated Scholarship) (September 2022 – August 2023)
- Killam Graduate TA Award, University of British Columbia (Funded by Killam Trust) (April 2021)
- Young Investigator Award, International Society of Osteoarthritis Imaging (June 2019)
- PhD Salary Award, Arthritis Society (September 2018 - April 2022)

BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Engineer in Training, Engineers and Geoscientists of BC (2019 - present)

STANFORD ADVISORS

- Garry Gold, Postdoctoral Faculty Sponsor

Research & Scholarship

LAB AFFILIATIONS

- Garry Gold, JOINT Lab (9/16/2024)
