Overseas Studies - Hong Kong, Bing Overseas Studies

Bio

BIO

A stage pianist/percussionist on both acoustic and virtual instruments, as well as a computer music researcher. While he often appears in local music performances, his research works have been published in the international conference proceedings and journals. Currently teaching at CUHK Computer Science and Engineering.

List of work can be found at: <https://scholar.google.com.hk/citations?user=Pq3rQvUAAAAJ>
