Stanford

Michael Edward Bellas

Licensing Associate, Life Sciences, Office of Technology Licensing (OTL)

Bio

BIO

Michael joined OTL in November 2024 as a Licensing Associate on the Life Sciences team. Prior to joining Stanford, Michael worked in business development within the life sciences industry, focusing on strategy, patent filing, and licensing opportunities. He also prepared and negotiated agreements for technology licensing and collaboration with academic partners. Michael holds a B.S. from the University of California, Berkeley.
