

Juan Salazar Gonzalez

Postdoctoral Scholar, General Surgery

Bio

HONORS AND AWARDS

- Winner of a global video competition in Laparoscopic/Robotic Surgery, International Laparoscopic Liver Society (ILLS) (2025)
- Award for best video, Minimally Invasive Surgery Week - The Society of Laparoscopic and Robotic Surgeons (2025)

PROFESSIONAL EDUCATION

- Doctor of Medicine, Universidad Del Rosario (2023)

STANFORD ADVISORS

- Brendan Visser, Postdoctoral Faculty Sponsor

Publications

PUBLICATIONS

- **Dissemination along the hepatocaval ligament in a caudate-origin intrahepatic cholangiocarcinoma: a case report with video.** *Journal of surgical case reports*
Salazar Gonzalez, J. F., Vergara Aguilar, M., Aliseda, D., Bingham, D., Visser, B. C.
2026; 2026 (8): rjag683
- **Turning Ideas into Teaching Tools: How We Create Our Educational Surgical Videos.** *Journal of surgical education*
Gonzalez, J. F., Aliseda, D., Dua, M., Visser, B. C.
2026; 83 (7): 103967
- **Combined robotic cholecystoduodenal fistula repair and hepaticoduodenostomy with bile duct exploration in a patient with recurrent choledocholithiasis and prior Bouveret syndrome: a case report** *JOURNAL OF VISUALIZED SURGERY*
Gonzalez, J., Aliseda, D., Harrison, J., Visser, B.
2025; 11
- **Combined robotic cholecystoduodenal fistula repair and hepaticoduodenostomy with bile duct exploration in a patient with recurrent choledocholithiasis and prior Bouveret syndrome: a case report.** *Journal of visualized surgery*
Salazar Gonzalez, J. F., Aliseda, D., Harrison, J. M., Visser, B. C.
2025; 11: 29
- **Robotic Left Hepatectomy with Hilar Dissection and Portal Lymphadenectomy Following Preoperative Gemcitabine, Cisplatin, and Pembrolizumab for Intrahepatic Cholangiocarcinoma.** *Annals of surgical oncology*
Gonzalez, J. F., Aliseda, D., Harrison, J. M., Visser, B. C.
2025

- **"How I Do It:" Robotic Transduodenal Ampullectomy for an Ampullary Adenoma.** *Journal of hepato-biliary-pancreatic sciences*
Salazar Gonzalez, J. F., Aliseda, D., Harrison, J. M., Visser, B. C.
2025
- **Exploring the Impact of Diabetes on Kidney Transplant: Patient Outcomes and Management Strategies.** *Cureus*
Eltayeb, H. H., Rawat, A., Salazar Gonzalez, J. F., Ahmad, F. N., Lee Young, J. T., Algitagi, F., Khattak, L. Z., Qazi, I. U., Arya, A., Asad, Z. F., Issimdar, I. A., Siddiqui, H. F.
2025; 17 (3): e80843
- **A Narrative Review on the Role of Artificial Intelligence (AI) in Colorectal Cancer Management.** *Cureus*
Babu, B., Singh, J., Salazar González, J. F., Zalmi, S., Ahmed, A., Padekar, H. D., Eichemberger, M. R., Abdallah, A. I., Ahamed S, I., Nazir, Z.
2025; 17 (2): e79570
- **Artificial Intelligence and Early Detection of Breast, Lung, and Colon Cancer: A Narrative Review.** *Cureus*
Debellotte, O., Dookie, R. L., Rinkoo, F., Kar, A., Salazar González, J. F., Saraf, P., Aflahe Iqbal, M., Ghazaryan, L., Mukunde, A. C., Khalid, A., Olumuyiwa, T.
2025; 17 (2): e79199
- **Role of Immunotherapy in Conjunction With the Surgical Treatment of Breast Cancer: Preoperative and Postoperative Applications.** *Cureus*
Sabu, N., Attia Hussein Mahmoud, H., Salazar González, J. F., Naruboina, N., Esteban Rojas Prieto, S., Govender, S., Ruthvik Phani Narayan, V., Priyank Batukbhai, B., Ahmadi, Y.
2024; 16 (10): e71441
- **Endovascular approach of hepatic artery pseudoaneurysm after Whipple procedure: Case report and literature review.** *International journal of surgery case reports*
Ayala, D., Gonzalez, J., Salazar, J. F., Rey Chaves, C. E., Conde, D., Sabogal Olarte, J. C.
2023; 105: 108103

PRESENTATIONS

- Robotic Whipple Procedure in a Patient with Situs Inversus Totalis Presenting with a Main-Duct IPMN - Minimally Invasive Surgery Week (September 10, 2025 - September 13, 2025)
- Robotic Radical Antegrade Modular Pancreatoplectomy (RAMPS) in a Patient with Locally Advanced Pancreatic Adenocarcinoma of the Tail - Minimally Invasive Surgery Week (September 10, 2025 - September 13, 2025)
- Robotic Right Trisegmentectomy in a Patient with Intrahepatic Cholangiocarcinoma - The Cutting Edge: Video Showcase - International Laparoscopic Liver Society (September 16, 2025 - 9/16/2025)
