Michael Rosales

- Si Instructor, Stanford Pre-Collegiate Studies
- Staff, Stanford Pre-Collegiate Studies

Bio

BIO

Mr. Michael Rosales has been teaching engineering for the past 17 years, specializing in a wide range of disciplines including CADD, electrical systems, robotics, renewable resources, CNC manufacturing, and aerospace. He actively coaches high school VEX Robotics and Hydrogen RC Car Racing teams, with his students having earned spots at both state and world championships. This August, his teams will compete internationally in Germany. Mr. Rosales is married to Ashley and has two children—CJ, a freshman at Jesuit High School, and Elise, a 6th grader at St. Ignatius.
