

Alyssa Smith

Clinical Assistant Professor, Otolaryngology (Head and Neck Surgery)

CLINICAL OFFICE (PRIMARY)

- **Pediatric Otolaryngology Head and Neck Surgery**

730 Welch Rd

1st Fl

Palo Alto, CA 94304

Tel (650) 724-4800 Fax (650) 725-8502

Bio

BIO

Dr. Smith received her undergraduate degree in biomedical engineering from the University of Connecticut, and her medical degree from Georgetown University School of Medicine, where she was a member of the Gold Humanism Honor Society. She completed residency training in Otolaryngology-Head & Neck Surgery at the Mayo Clinic in Minnesota. This was followed by a Pediatric Otolaryngology fellowship at Ann & Robert H. Lurie Children's Hospital in Chicago. She is currently a Clinical Assistant Professor in the Department Otolaryngology, Division of Pediatric Otolaryngology, at Stanford University.

Dr. Smith is board certified by the American Board of Otolaryngology-Head and Neck Surgery and is a member of the American Society of Pediatric Otolaryngology (ASPO), Society for Ear Nose and Throat Advancements in Children (SENTAC), and the American Academy of Otolaryngology-Head and Neck Surgery (AAO-HNS). She serves on the Pediatric Otolaryngology Education Committee with the AAO-HNS.

She has a wide range of clinical interests including aerodigestive disorders, airway reconstruction, obstructive sleep apnea, tracheostomy care, congenital neck masses, benign and malignant head and neck tumors, and sinonasal disorders.

CLINICAL FOCUS

- Complex Pediatric Otolaryngology

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Otolaryngology (Head and Neck Surgery)

PROFESSIONAL EDUCATION

- Board Certification: Complex Pediatric Otolaryngology, American Board of Otolaryngology (2025)
- Board Certification: Otolaryngology, American Board of Otolaryngology (2023)
- Fellowship: Ann and Robert H Lurie Children's Hospital Pediatric Otolaryngology Fellowship (2023) IL

- Residency: Mayo Clinic Otolaryngology Residency Program (2022) MN
- Medical Education: Georgetown University School of Medicine (2017) DC
