Bio

BIO

Ameenah Wiley is a Human Resources Generalist at Stanford Blood Center, where she supports onboarding, employee relations, and leave administration with a focus on precision, empathy, and compliance. With a deep background in the technology sector, Ameenah brings a systems-minded, people-first approach to HR. Her expertise in Workday, policy implementation, and cross-functional collaboration makes her a trusted partner to both employees and leadership. Ameenah is passionate about fostering inclusive, efficient, and values-driven work environments.
