

James R. Jacobs

US Government Information Librarian, Social Sciences Resource Group

Bio

BIO

I collect materials in a variety of formats (including digital!) and give research assistance in the fields of US Federal government information and public policy. You can find me online at my blog Free Government Information, including a full bio and list of publications <http://freegovinfo.info/about/jrjacobs>

CURRENT ROLE AT STANFORD

Federal government information librarian and FDLP coordinator. James' bio and list of publications and presentations can be found at <https://freegovinfo.info/jrjacobs>
