## Rohan Sharma

Ph.D. Student in Geophysics, admitted Autumn 2025

---

### Bio

#### BIO

I'm a Ph.D. student in the Department of Geophysics. My research explores the applications of quantum computing and scientific machine learning to geophysical problems, with a focus on modeling, inversion, and uncertainty quantification.

#### EDUCATION AND CERTIFICATIONS

- Integrated Master of Technology [5 years], Indian Institute of Technology, Dhanbad , Applied Geophysics (2025)
