Stanford

Anthony M. Comeau

Ph.D. Student in East Asian Languages and Cultures, admitted Autumn 2025

Bio

BIO

Anthony Comeau is a second year PhD student in Stanford's Department of East Asian Languages and Cultures. His research interests broadly include political thought and its history and comparative literature. Anthony is particularly interested in the themes of love, education, and humanism in the comparative reception of canonical philosophers, theologians, and novelists in the modern Sinosphere, West, and Hispanosphere.
