

Chelsey Simone Clark

Lecturer

Psychology

 Curriculum Vitae available Online

Bio

BIO

Dr. Chelsey Clark is a Provostial Fellow and Lecturer at Stanford University in the Department of Psychology.

Through her research, she investigates institutions, the signals their decisions send to the public, and how those signals affect people's norm perceptions, personal attitudes, and behavior. Her research is published in some of the top psychology and general science journals, including The Annual Review of Psychology, Nature Human Behaviour, and Science (invited commentary).
