#### BIO

Renata has a broad background in public service, including as Mayor and Council Member of the Town of Moraga California, President of the California State Board of Accountancy, and chair of a number of public agency and non-profit boards. She worked with the California legislature on crafting regulations governing the practice of public accountancy in the state and with regional and local agencies on transportation, sustainability, and housing policy issues. She practiced law for over two decades, both in the private and the corporate sectors, with focus on antitrust, crisis management, and professional liability matters.

Renata has a JD from the University of Chicago Law School and a BSE in Aerospace Engineering from Princeton University.
