Bio

BIO

Dr. Wilson is a licensed clinical psychologist with expertise in the areas of trauma and life stress, women's wellness and sexual dysfunction, and lifestyle psychiatry. She provides clinical services in these areas and is Co-Director of the Lifestyle Psychiatry Clinic focused on holistic interventions incorporating physical activity, nutrition, stress management, sleep, social connection, and avoidance of risk substances. She has is also a 500 hour certified yoga instructor as has developed a group therapy program that integrates principles of yoga to support management of mood and anxiety symptoms. Dr. Wilson has completed federally funded research focused on relationships between childhood trauma and health risk behavior in adolescence and adulthood and is currently engaged in clinical research. Dr. Wilson has authored or co-authored over thirty journal articles and book chapters related to these topics, and she regularly presents her work at local and national conferences. She is lead editor of the 2023 book Facing Campus Sexual Assault and Relationship Violence With Courage: A Guide for Institutions and Clinicians on Prevention, Support, and Healing. She is currently engaged in a collaboration with Stanford Recreation and Wellness to evaluate the benefits of physical wellness and outdoor education courses.
