Xinyu Lu

Graduate Visiting Researcher Student, Education

Bio

BIO

Xinyu Lu is a Doctoral Candidate in Educational Economics and Management at Zhejiang University and a Visiting Scholar and Research Associate at Stanford University. Her research lies at the intersection of Computational Education, Economics of Education, Learning Analytics, Educational Measurement, and Evidence-Based Education Policy. She is particularly interested in leveraging artificial intelligence, large-scale educational data, and causal inference methods to understand learning processes, evaluate educational interventions, and support talent development.

EDUCATION AND CERTIFICATIONS

- Research Associate, IRW Lab, Stanford University
- Visiting Scholar, Stanford University
- Doctoral Candidate, Zhejiang University

Research & Scholarship

RESEARCH INTERESTS

- Assessment, Testing and Measurement
- Data Sciences
- Economics and Education
- Higher Education
- Poverty and Inequality
- Research Methods
- Technology and Education
