BIO

Hi, I'm Patrick LaPlante, a product and engineering leader with over 30 years of experience in automotive and mobility. I've worked across global organizations including Toyota, Volvo, Lotus, and several EV startups, leading vehicle development from concept through production.

My background spans engineering, program management, and cross-functional leadership, with a focus on delivering complex products.

I'm currently at Form Energy in Berkeley, CA, working on next-generation energy storage solutions.
