Richard Stern

- Part-Time Patent Agent (Life Sciences), Office of Technology Licensing (OTL)
- Staff, Stanford Office of Technology Licensing

Bio

BIO

Richard is a patent agent with Stanford's Office of Technology Licensing (OTL). He holds a PhD in molecular genetics and microbiology from the University of Florida, Gainesville. Before joining the OTL, he spent over two decades working as a patent agent in both full-service and boutique law firms, and in industry. At the OTL, Richard evaluates life science discoveries and helps develop IP strategy.

Richard is registered with the United States Patent and Trademark Office (USPTO).
