#### BIO

Eunjung Lim is a Professor in the Division of International Studies at Kongju National University (KNU). She is a Visiting Scholar at the Shorenstein Asia-Pacific Research Center, Stanford University (April 2026–February 2027).

Her research focuses on international cooperation in the Indo-Pacific, comparative and global governance, and energy, nuclear, and climate change policies in East Asia. She previously served as a board member of the Korea Institute of Nuclear Nonproliferation and Control (KINAC) from May 2018 to July 2024 and currently serves on the Policy Advisory Committee for the Ministry of Unification. She is also a member of the governing board of the Asia-Pacific Leadership Network (APLN) and a member of the Subcommittee on Energy and Just Transition of the Presidential Commission on Carbon Neutrality and Green Growth.

She received a B.A. from the University of Tokyo, an M.I.A. from Columbia University's School of International and Public Affairs, and a Ph.D. from Johns Hopkins University's School of Advanced International Studies.
