### Bio

#### BIO

David Odineal, MD, is a Rheumatology Fellow at Stanford, with an interest in clinical education. He completed his residency in Internal Medicine at Madigan Army Medical Center after graduating from the University of California, Davis, School of Medicine. He holds a Bachelor of Science degree in Human Biology and Society from the University of California, Los Angeles. Dr. Odineal served 11 years in the United States Army, including 4 years as a flight surgeon with the 101st Airborne Division. During this time he deployed in support of Operation Spartan Shield and Operation Inherent Resolve. He has published several articles, including topics on tele-critical care, autoimmunity in selective IgA deficiency, mobile device-assisted trials for chronic pain, and anatomical studies.
