#### BIO

Hello! My name is Gavin Ahumada, and I am from Spokane Valley, Washington. I look forward to studying Political Science as a member of the Stanford University Class of 2030, and I am beyond excited to be involved in extracurricular activities like the Stanford Running Club, Debate, Student Leadership, and more. In my free time, I enjoy running, reading, playing pickleball, hiking, watching movies, and experiencing food runs with friends. Please do not hesitate to contact me, and come say Hello if you see me on campus!
