Bio

BIO

Dr. Matt Tsai is a Clinical Assistant Professor in the Division of Hospital Medicine at Stanford. He completed a B.S. in Biological Sciences from the University of California, Irvine, received his M.D. from the Robert Larner College of Medicine at the University of Vermont, and then completed Internal Medicine residency at Beth Israel Deaconess Medical Center (BIDMC) in Boston, MA. Following this, he worked as a hospitalist and Instructor of Medicine at Harvard Medical School before completing his Chief Medical Residency at BIDMC. His interests include quality improvement and medical education, with an emphasis on digital methodologies, cognitive learning theory and innovative teaching.
