

Eric Van Belcea

Graduate, Medicine, School of Medicine

Bio

BIO

Hello! I am Eric Văn (VahN) Belcea (BEL-cha), a medical student with experience in various domains, including music, healthcare, finance, and community service. I am a passionate leader who always seeks to make a positive impact through my professional and academic engagements. As I pursue a career in medicine, I aim to leverage my multidisciplinary experiences to advance holistic, prevention-focused patient care and translate scientific innovation into more equitable outcomes.
