Stanford

# Edward J. Damrose, MD, FACS

Professor of Otolaryngology - Head & Neck Surgery (OHNS) and, by courtesy, of Anesthesiology, Perioperative & Pain Medicine (MSD)

Otolaryngology (Head and Neck Surgery)

NIH Biosketch available Online  Curriculum Vitae available Online

**CLINICAL OFFICE (PRIMARY)**

- **Stanford Dept of Otolaryngology, Head and Neck Surgery**
  801 Welch Rd
  MC 5739
  Stanford, CA 94305
  **Tel** (650) 723-5281  **Fax** (650) 725-6685

**ACADEMIC CONTACT INFORMATION**

- **Alternate Contact**
  Maureen Baran - Administrative Assistant
  **Email** mbaran@stanford.edu
  **Tel** 650-725-6500

## Bio

### BIO

Dr. Damrose graduated from Yale University in 1991 cum laude, earning a BS in Biology. He attended the UCLA School of Medicine, earning his MD in 1995 and completing a doctoral thesis on laryngeal biomechanics.

He remained at UCLA for training in general surgery from 1995 to 1997, was nominated "Physician of the Year" by the UCLA staff, and completed his residency in Otolaryngology — Head & Neck surgery in 2001. He remained with UCLA from 2001 to 2003, serving as Clinical Instructor in Laryngeal Surgery and completing a two-year clinical and research fellowship in laryngology/bronchoesophagology.

Dr. Damrose joined the Stanford faculty in 2003 and serves as Professor of Otolaryngology — Head & Neck Surgery and, by courtesy, of Anesthesiology, Perioperative and Pain Medicine. He founded the Division of Laryngology, serving as Chief from 2003 to 2025 and the Fellowship Program in Laryngology, serving as Director from 2008 to 2025. He is Past Chief of Staff/Stanford Health Care and past Medical Director for Professionalism/Stanford Health Care. He serves as Chair of the Department Quality Assurance/Quality Improvement Program and leads the Improvement Capability Development Program. Under his leadership as Chair of the Department Quality Council, more than fifty quality improvement projects have been successfully completed since 2017.

An accomplished researcher, he has led or co-led four clinical trials including applications of robotic platforms for transoral surgery; served as co-investigator and grant recipient from the National Science Foundation from 2004-2007 developing new analytical tools for high-speed laryngeal imaging; and has completed two industry sponsored projects to develop novel vocal fold injectables. He serves as a consultant to multiple biomedical companies as an expert in laryngeal physiology, robotics, and surgery.

Dr. Damrose is a member of the Society for Head and Neck Anesthesia; The Triological Society; the Association of Military Surgeons of the United States; the American Laryngological Association; the American Bronchoesophagological Association; the American Academy of Otolaryngology/Head

and Neck Surgery; the American College of Surgeons, and the American Head and Neck Society. He serves on the editorial board of the Journal of Voice, and served as a Guest Editor for Operative Techniques in Otolaryngology. From 2010 to 2014, he served as Medical Director of the International Association of Laryngectomees, and from 2010 to 2022 as Medical Advisor to the Foundation for Voice Restoration.

A 5th generation member of the US armed forces, Dr. Damrose serves as a Captain in the United States Navy Reserve. He has held numerous leadership positions in the Navy, including that of Otolaryngology Specialty Leader in the Bureau of Medicine and Surgery and member of the Navy Reserve Policy and Planning Board. In 2020 he mobilized to Guam to support the 7th Fleet during the Navy's response to the COVID 19 pandemic. He is the recipient of the Meritorious Service Medal (three awards), the Navy and Marine Corps Commendation Medal (two awards), the Meritorious Unit Commendation, and various other service medals.

His clinical interests include complex airway reconstruction; surgical treatment of spasmodic dysphonia; surgical treatment of laryngeal and hypopharyngeal cancer; laryngeal framework surgery; and the surgical treatment of hypopharyngeal and esophageal diverticula. He has pioneered novel approaches in the treatment of laryngeal chondrosarcoma and endoscopic treatment of Zenker’s diverticula. His research interests include elucidating the pathogenesis of idiopathic subglottic stenosis and the development of technologies to restore voice in patients with vocal cord paralysis and laryngeal cancer.

## CLINICAL FOCUS

- Cancer > Head and Neck Cancer
- Otolaryngology
- Laryngology
- Head and Neck Surgery
- Tracheal stenosis
- Subglottic stenosis
- Vocal cord paralysis
- Laryngeal cancer
- Hoarseness
- Laryngeal stenosis
- Hypopharyngeal cancer
- Hypopharyngeal diverticula
- Zenker's Diverticula
- Esophageal Diverticula
- Cricopharyngeal hypertrophy

## ACADEMIC APPOINTMENTS

- Professor-Univ Med Line, Otolaryngology (Head and Neck Surgery)
- Professor-Univ Med Line (By courtesy), Anesthesiology, Perioperative and Pain Medicine
- Member, Stanford Cancer Institute

## ADMINISTRATIVE APPOINTMENTS

- Chair, Committee for Professionalism, (2021-2024)
- Immediate Past Chief of Staff, Stanford Health Care, (2020-2024)

- Physician Improvement Leader for Improvement Capability Project, Department of Otolaryngology/Head & Neck Surgery, (2017- present)
- Board Member, Stanford Health Care Board of Directors, (2017-2020)
- Chief of Staff, Stanford Health Care, (2017-2020)
- Vice Chief of Staff, Stanford Health Care, (2014-2017)
- Member, Credentials and Privileges Committee, (2013-2025)
- Senator at Large, Stanford School of Medicine Faculty Senate, (2012-2015)
- Member, Quality, Patient Safety & Effectiveness Commitee, (2010-2025)
- Member, Professional Practice Evaluation Committee (Surgery), (2009-2025)
- Director, Fellowship in Laryngology and Bronchoesophagology, (2006-2025)
- Clinic Chief, Otolaryngology/Head and Neck Surgery, (2004-2014)
- Chair, Quality Assurance Committee, Department of Otolaryngology/Head and Neck Surgery, (2003- present)
- Chief, Division of Laryngology, (2003-2025)

## HONORS AND AWARDS

- Meritorious Poster Award, ASHA (2026)
- Recognition Award, 5th MAGNET Redesignation, Stanford Healthcare (2025)
- Sigma Chi Honor Society, Stanford University Chapter (2025)
- First Place Quality Improvement Poster Presentation, American College of Physicians Regional Chapter Meeting (2024)
- General Winner, Quality Improvement Sympsosium, Stanford Medicine Center for Improvement (2024)
- SHC Medical Staff Recognition Award for 20 Years of Service, Stanford Health Care (2024)
- Top 10% of Most Viewed Papers Published in 2023, Journal of Otolaryngology/Head & Neck Surgery (2023)
- Best of Oral Presentations, American Academy of Otolaryngology - Head & Neck Surgery (2022)
- Top 10% Most Cited Clinician, Doximity (2022)
- Early Clinical Engagement Recognition Award, Stanford University School of Medicine (2021-2024)
- 6000+ Page View Recognition Award, Journal of Visual Surgery (2020)
- Top Otolaryngologists, California Magazine (2019-2020)
- Top Peer Reviewer, Publons Peer Review Awards (2018)
- AAO-HNS Foundation Honor Award, American Academy of Otolaryngology-Head & Neck Surgery (2015)
- Alpha Omega Alpha, Stanford University (2015)
- Award of Appreciation, International Association of Laryngectomees (2014)
- Outstanding Officer of the Year - Nominee, RCC Southwest, Bureau of Medicine and Surgery, US Navy Reserve (2014)
- Top 10 Doctor - Metro Area Greater San Jose, CA, Vitals.com (2014)
- Top Doctor, Castle Connolly (2014)
- Denise M. O'Leary Award for Excellence, Stanford Hospital and Clinics Board of Directors (2012)
- Patients' Choice 5th Anniversary Award, Vitals.com (2012)
- Top Ten Doctors, Vitals.com (2012)
- Compassionate Doctor Recognition, Vitals.com (2011-2013)
- Acceptance of Thesis, The American Laryngological, Rhinological, and Otological Society (2010)
- Best Doctors in America, Best Doctors, Inc. Boston, MA (2009)
- Patients' Choice Award, Vitals.com (2008-2014)

- Best Doctors in America, Best Doctors, Inc. Boston, MA (2008)
- Stanford Biodesign Teaching Recognition Award, Stanford University (2004)
- Physician of the Year - Nominee, UCLA (1996)
- Medical Thesis Recognition Award, UCLA (1995)
- Dale E. Wilson Scholarship, UCLA (1994)
- Forest and Rachel Linden Scholarship, UCLA (1994)
- Cum Laude, Yale University (1991)
- Francis G. Fabian, Jr. Scholarship, Yale University (1987 - 1991)

## BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Program Committee, American Laryngological Association (2026 - present)
- Consultant, GH Research Inc (2025 - present)
- Navy Reserve Policy and Planning Board, Department of the Navy (2025 - 2026)
- Ethics Committee, American Head & Neck Society (2023 - 2026)
- Awards Committee, Chair, American Laryngological Association (2023 - 2025)
- Advisory Board, Spiro Robotics, Inc. (2020 - present)
- Surgery Advisory Board, Verily, Inc. (2017 - present)
- Board of Governors Legislative Representative (California), American Academy of Otolaryngology/Head & Neck Surgery (2017 - 2024)
- History Committee, American Head and Neck Society (2017 - 2020)
- Quality of Care Committee, American Head and Neck Society (2017 - 2020)
- Surgical Advisory Board, Galen Robotics (2016 - 2023)
- Fellow, American Laryngological Association (2015 - present)
- Laryngology Advisory Board, Olympus, Inc. (2015 - present)
- Member, Society for Head and Neck Anesthesia (2012 - present)
- Credentials and Membership Committee, American Academy of Otolaryngology/Head & Neck Surgery (2012 - 2018)
- Medical Devices and Drugs Committee, American Academy of Otolaryngology/Head & Neck Surgery (2012 - 2018)
- Fellow, American Laryngological, Rhinological, and Otological Society (2010 - present)
- Member, Association of Military Surgeons of the United States (2009 - present)
- Member, American Head and Neck Society (2007 - present)
- Fellow, American College of Surgeons (2006 - present)
- Member, American Broncho-Esophagological Association (2006 - present)
- Member, The Voice Foundation (2005 - present)
- Fellow, American Academy of Otolaryngology/Head & Neck Surgery (2004 - present)

## PROFESSIONAL EDUCATION

- Medical Education: UCLA David Geffen School Of Medicine (1995) CA
- Board Certficiation, American Board of Otolaryngology - Head and Neck Surgery , Otolaryngology (2002)
- Fellowship, UCLA Medical Center , Laryngeal Surgery (2003)
- Residency, UCLA Medical Center , Otolaryngology (2001)
- Residency, UCLA Medical Center , General Surgery (1997)

- MD, UCLA , Medicine (1995)
- BS, Yale University , Biology (1991)

### COMMUNITY AND INTERNATIONAL WORK

- Stanford Medicine Military Coalition
- Sons of Union Veterans of the Civil War
- Yale Veterans Association
- Uniformed Services Interest Group
- Fortunoff Video Archive for Holocaust Testimonies
- Pink Paws for the Cause
- US Navy Reserve
- International Association of Laryngectomees
- Foundation for Voice Restoration
- Embrace the Children Camp, Guatemala

## Research & Scholarship

### CURRENT RESEARCH AND SCHOLARLY INTERESTS

We are primarily interested in laryngeal physiology and function, with a particular interest in the application of advanced imaging techniques in studying vocal fold physiology. Currently, we are developing a method of high speed digital image analysis of normal and abnormal vocal fold vibration in a variety of states, including neurological disorders such as Parkinson's disease and spasmodic dysphonia. In addition, we are interested in the application of high resolution MRI imaging of the human larynx in detecting invasive laryngeal cancer at an earlier stage than can be currently detected. Finally, we are interested in the effects that hormones and exogenous factors such as anabolic steroids may exert on the voice and the subsequent changes to the vocal cords that these substances may incur.

### CLINICAL TRIALS

- Assessing the da Vinci® Robotic Surgical System for Surgery of the Upper Aerodigestive Tract, Not Recruiting
- Controlled Study to Evaluate the Safety and Efficacy of Azficel-T for Vocal Fold Scarring and Age-Related Dysphonia, Not Recruiting
- Imaging and Biomarkers of Hypoxia in Solid Tumors, Not Recruiting
- MRI Laryngeal Imaging With a Surface Coil, Not Recruiting

## Teaching

### GRADUATE AND FELLOWSHIP PROGRAM AFFILIATIONS

- Bioengineering (PhD Program)
