Bio

BIO

Dr. Spencer Chang is a board-certified Internal Medicine physician who practices at the Stanford Internal Medicine Clinic in Palo Alto. Dr. Chang earned his MD at Duke University School of Medicine where he was part of the Primary Care Leadership Track. He completed his Internal Medicine Residency training at UCLA in the Primary Care Program. Dr. Chang has interests in medical education, improving access to primary care, community health, and Asian Pacific Islander health disparities. He believes in a holistic approach to patient care, addressing the physical, mental, and emotional well-being of his patients and partnering with them to achieve their health goals.
