Miki Yu

Assistant Director, Strategic Outreach, Precourt Institute for Energy

Bio

BIO

Miki Yu joined Precourt Institute for Energy (PIE) as an Event and Outreach Program Planner. In this role she will help shape the programs that PIE, TomKat Center and GCEP offer as they build greater visibility within the Stanford community, the energy community at large, and throughout the world.

Miki started at Stanford working for the Office of Development in 2002, where she reported to the Vice President's office. She then joined the Stanford Challenge Campaign as an initial team member, working with OOD partners and engaging volunteers and donors at every stage to build and direct momentum for The Stanford Challenge campaign. She was instrumental in executing the Leading Matters component of the campaign, which achieved record breaking attendance and engagement results.
