Stanford

Linda Lam

Digital Imaging Production Coordinator, Library Technology

Bio

CURRENT ROLE AT STANFORD

As part of Stanford Libraries' Digital Production Group (DPG), I coordinate and manage mass digitization projects. My responsibilities include daily oversight of lab personnel and workflows, involving materials preparation, equipment and software troubleshooting, quality control and data management.

EDUCATION AND CERTIFICATIONS

- BA, San Jose State University , Art History (2007)
- MLIS, San Jose State University , Library and Information Science (2011)
