Jeremy Maurer
Ph.D. Student in Geophysics

Publications

PUBLICATIONS

- Fault coupling and potential for earthquakes on the creeping section of the central San Andreas Fault. *Journal of Geophysical Research-Solid Earth*
  Maurer, J., Johnson, K.
  2014; 119 (5): 4414-4428

- Models and methods for predicting hydraulic conductivity in near-surface unconsolidated sediments using nuclear magnetic resonance. *Geophysics*
  Maurer, J., Knight, R.
  2016; 81 (5): D503-D518
