Bio

BIO

Dr. Hill received her Ph.D. in Clinical Psychology from Ohio University. She completed her doctoral internship at the Veterans Affairs Palo Alto Health Care System and postdoctoral fellowship in the Psychiatry Department at the Stanford University School of Medicine where she currently serves as a Clinical Professor. Dr. Hill has published articles and made presentations related to psychology training, pain management, serious mental illness including Post Traumatic Stress Disorder, and sexual dysfunction.

Dr. Hill's time is divided across clinical, research, administrative, and teaching domains. Her current clinical interests are varied including anxiety, mood disorders, relationship difficulties, and post-traumatic stress disorder. The bulk of her time is committed to psychology training as the Director of Clinical Training for the PGSP-Stanford Psy.D. Consortium. On a national level, she currently serves as the Vice Chair of the Association of Psychology Postdoctoral and Internship Centers (APPIC).
