- Medical Education: University College London (1985) UK
- Board Certification: Dermatology, American Board of Dermatology (2001)
- Residency: UCSF Medical Center (2000) CA

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

I have trained in both Genito-Urinary Medicine (UK) and Dermatology. This has allowed me to develop a specialty clinic for the diagnosis and management of genital skin disorders. The rest of the time, I see individuals with general dermatology issues.
