Bio

BIO

Erin Holsinger is a Lecturer in the Department of Health Policy and a Clinical Assistant Professor in the Department of Pediatrics. In Health Policy, she is a co-director of the Health Services and Policy Research Scholarly Concentration in the School of Medicine and the Administrative Director of the Health Policy MS and PhD programs. In Pediatrics, she is an attending physician at the Gardner Packard Children's Health Clinic. She is a member of Stanford's LongSHOT (Longitudinal Study of Handgun Ownership and Transfer) team and performs research about the impact of gun ownership on the risk of death for the gun owner and those who live with them.

CLINICAL FOCUS

- Pediatrics
