Stanford

Joel Nicholus, MA

Clinical Research Manager - Operations, Med/Stanford Center for Clinical Research

Bio

BIO

Joel Nicholus is a Clinical Research Manager with the Stanford Center for Clinical Research (SCCR) at Stanford University. Joel has been working with SCCR since 2021 as the co-manager for Project Baseline. Joel's interests include streamlining the operations of clinical trials and research studies to optimize the performance of research teams and projects. In addition to this, Joel is passionate about human subject/participant education.

Joel holds an MA in Sociology from San Jose State University.

CURRENT ROLE AT STANFORD
