Bio

BIO

Dr. Lotan is Professor Emerita and the former Director of the Stanford Teacher Education Program (STEP). Her teaching and research focus on aspects of teaching and learning in academically and linguistically diverse classrooms and topics in teacher education. Currently, she directs the Program for Complex Instruction at Stanford, where she works on the development, research and worldwide dissemination of complex instruction, a pedagogical approach to creating equitable classrooms. For ten years before starting graduate work, Dr. Lotan taught English and French in junior high and high school.
