### Professional Overview

---

#### BIO

Dr. Sklarin practices endocrinology at Menlo Medical Clinic. He is a graduate of Harvard College, where he majored in biology. He attended medical school at the University of California, San Francisco, completed his internal medicine residency at Brigham and Women's Hospital in Boston, and completed his endocrinology fellowship at the University of California, San Francisco.

Dr. Sklarin is board certified in Endocrinology, Diabetes, and Metabolism and treats patients with a wide variety of endocrine disorders. He has special expertise in thyroid ultrasound and ultrasound guided fine-needle aspiration and directs the Menlo Clinic bone density center.

In his free time Dr. Sklarin enjoys spending time with his family, playing tennis, running, biking, swimming, and doing triathlons.
