Bio

BIO

Dr. Eisen is a Clinical Associate Professor and CA Licensed Clinical Psychologist in the Department of Psychiatry and Behavioral Sciences at Stanford University School of Medicine. She works with the INSPIRE clinic at Stanford and is the Inpatient Director of Psychological Services for the acute inpatient psychiatric units at Stanford Hospital. Her research and clinical interest center on therapeutic interventions that support recovery for individuals living with serious mental illness, in particular for individuals experiencing psychosis. Dr. Eisen received her bachelor's degree from Cornell University, and her PhD from the University of Connecticut, and completed postdoctoral training at Stanford University. She is trained in CBT for psychosis (CBTp) and provides training and consultation in CBTp and CBTp informed skills to community-based clinicians, graduate students, medical students and residents, to support the use of recovery-oriented psychosocial interventions with individuals experiencing psychosis.
