

Stanford

Shuchi Anand

Assistant Professor of Medicine (Nephrology) at the Stanford University Medical Center

Medicine - Nephrology

CLINICAL OFFICES

- **Nephrology**

300 Pasteur Dr Rm S161

MC 5114

Stanford, CA 94305

Tel (650) 723-6961

Fax (650) 721-1443

Bio

BIO

Dr Anand is a nephrologist and clinical researcher, with an interest in caring for patients with a broad range of kidney disease. She has active projects in collaboration with Santa Clara Valley Medical Center, Emory University, Center for Chronic Disease Control in India, and Kandy Teaching Hospital in Sri Lanka. She is building clinical expertise in tubulo-interstitial disease: <http://stan.md/tikidney>

CLINICAL FOCUS

- Nephrology
- Tubulointerstitial disease

ACADEMIC APPOINTMENTS

- Assistant Professor - Med Center Line, Medicine - Nephrology

ADMINISTRATIVE APPOINTMENTS

- Nephrology Elective Director, Stanford University, (2014- present)

BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Member, Asian Nephrologists of Indian Origin (2017 - present)
- Organizing member, International Consortium of CKDu Collaborators (2016 - present)
- Board Member, International Society of Nephrology, North America and Caribbean Regional Board (2017 - present)

PROFESSIONAL EDUCATION

- Medical Education: Washington University in St Louis (2006) MO
- Fellowship: Stanford University School of Medicine (2012) CA
- Residency: Brigham and Women's Hospital Harvard Medical School (2009) MA
- Board Certification: Nephrology, American Board of Internal Medicine (2012)

- Board Certification: Internal Medicine, American Board of Internal Medicine (2009)
- Masters in Clinical Epidemiology, Stanford University School of Medicine
- Fellowship, Stanford University School of Medicine , Nephrology
- Residency, Brigham and Women's Hospital , Internal Medicine (2009)

COMMUNITY AND INTERNATIONAL WORK

- ISN Sister Center

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

Dr Anand is interested in improving care for patients with kidney disease living in low-resource settings and using practical tools. She has active projects in India and Sri Lanka. She is also involved with the Exercise is Medicine initiative, with an active pilot clinical trial in adapting the intervention for patients with advanced kidney disease.

CLINICAL TRIALS

- Exercise is Medicine for Patients With CKD, Recruiting

PROJECTS

- CKDu in Sri Lanka: standardizing data collection for case definition and epidemiology research - Stanford University
- CKD in South Asians: CARRS study - Stanford University

Teaching

GRADUATE AND FELLOWSHIP PROGRAM AFFILIATIONS

- Nephrology (Fellowship Program)
