Amit Gohil

- Clinical Associate Professor (Affiliated), Medicine - Med/Pulmonary, Allergy & Critical Care Medicine
- Staff, Medicine - Med/Pulmonary, Allergy & Critical Care Medicine

Bio

BIO

My main practice is at County Hospital of Santa Clara, where my time is split between Pulmonary Clinic, Pulmonary Physiology Lab and Medical Intensive Care.

Other Clinical Interests include neurocritical care, Mab therapy for asthma,. and management of toxin induced pulmonary hypertension

My research interests are moving into the use of Data Science to answer clinical questions. I am currently in the process of becoming familiar with R as a coding language to examine large clinical data sets and hope to move into machine learning algorithms to improve the pulmonary health of our county population.
