### Bio

---

#### BIO

Dr. Gillian Heinecke joined Stanford Medicine in August 2017 as a Clinical Assistant Professor of Dermatology. She earned a Bachelors of Science in Biology from Brown University in 2007 and a medical degree with distinction in research from Icahn School of Medicine at Mount Sinai in 2013, where she was also elected to the Alpha Omega Alpha society. She completed a one year research fellowship in biologic treatment for psoriasis with Dr. Mark Lebwohl while at Mount Sinai. In 2017, Dr. Heinecke completed residency training in dermatology at Stanford where she served as Chief Resident. She is board certified in dermatology by the American Board of Dermatology.

Her professional interests include psoriasis, complex medical dermatology, skin cancer, infectious diseases of the skin and medical education.
