

David Alex Sarno

Adjunct Lecturer, Pediatrics - Cardiology

Bio

BIO

David Sarno is a lecturer in the Department of Pediatrics at the school of medicine, specializing in virtual reality-based education. David founded Lighthaus Inc., a VR education company in 2013 while a John S. Knight journalism fellow at Stanford. Before that, David was a technology journalist at the Los Angeles Times for seven years. He holds an MFA in Creative Writing from the University of Iowa and a B.A. in Computer Science from Yale University.
