Bio

BIO

Dr. Hall graduated summa cum laude from UC Santa Cruz with a Bachelor of Science in Neuroscience and Behavior and received his MD from the Keck School of Medicine of USC. He completed an internal medicine internship at Santa Clara Valley Medical Center. He went on to train in neurology at Stanford University where he also completed a clinical fellowship in behavioral neurology.

Dr. Hall's clinical expertise includes mild cognitive impairment, dementia with Lewy bodies, Alzheimer's disease, primary progressive aphasia, posterior cortical atrophy, frontotemporal dementia and vascular cognitive impairment.

Dr. Hall's non-clinical time is spent studying novel imaging techniques for neurodegenerative disorders, participating in Alzheimer's disease clinical trials and working with the Stanford Alzheimer's Disease Research Center.

CLINICAL FOCUS

- Neurology
- Mild cognitive impairment
- Dementia
- Alzheimer's disease
- Dementia with Lewy bodies
- Vascular cognitive impairment

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Neurology & Neurological Sciences
