

Stanford

karin kuhn

- Clinical Instructor, Radiology
- Fellow in Medicine
- Resident in Radiology

Bio

BIO

Dr. Karin Kuhn is originally from Tucson, AZ, and practiced as a physical therapist for several years in the Washington DC metro area prior to returning to medical school. Following an internship in preliminary medicine at Kaiser Oakland, she moved to the bay area to pursue dedicated training in diagnostic radiology at Stanford. Following residency, she will continue specialized fellowship training in musculoskeletal radiology at Stanford. Outside of medicine, she is a wife and mother of two with interests in health and fitness, gourmet cooking, and travel.

CLINICAL FOCUS

- Diagnostic Radiology
- Musculoskeletal radiology
- Radiology

INSTITUTE AFFILIATIONS

- Clinical Instructor, Radiology

PROFESSIONAL EDUCATION

- Residency: Stanford University Radiology Residency (2019) CA
- Internship: Kaiser Permanente Northern California GME Programs (2015) CA
- Medical Education: George Washington University School of Medicine and Health Sciences (2014) DC
- MD, The George Washington University , Doctor of Medicine (2014)
- DPT, Duke University , Doctor of Physical Therapy (2006)
- BS, Northern Arizona University , Exercise Science, Chemistry (2003)
