### Professional Overview

---

#### BIO

Dr. Peng is board certified in sports medicine and family medicine. He treats athletes of all ages and loves to take care of the everyday patient who is looking to create and maintain a healthy and active lifestyle. He specializes in using orthobiologics and ultrasound guided minimally invasive techniques to treat osteoarthritis, tendinopathies, and musculoskeletal disorders.

When not at work, his hobbies include reading, exercising, cooking, spending time with his wife, and creating mischief with his daughter and son. He is also fluent in Mandarin.
