Bio

BIO

Dr. Vu is a pediatric infectious diseases specialist who is researching human responses to dengue virus and malaria infections. He performed his undergraduate studies at the University of California, San Diego, and obtained his medical doctorate at the University of Pennsylvania School of Medicine. He trained in general pediatrics at UCSF Benioff Children's Hospital Oakland, and in pediatric infectious diseases at Emory University School of Medicine. His present studies on pediatric dengue and malaria co-infection are supported by an NIAID Career Development Award (K23 AI127909) and a Instructor K Award Support Program Award from the Maternal & Child Health Research Institute and Department of Pediatrics.

CLINICAL FOCUS

- Pediatric Infectious Diseases

ACADEMIC APPOINTMENTS

- Instructor, Pediatrics - Infectious Diseases
- Member, Maternal & Child Health Research Institute (MCHRI)

HONORS AND AWARDS

- KL-2 Career Development Award, Spectrum (Stanford CTSA) (7/2016-6/2018)
- Ruth L. Kirschstein National Research Service Award, NIAID, NIH (7/2003-6/2006)

PROFESSIONAL EDUCATION

- Residency: UCSF Pediatric Fellowships (2002) CA
- Board Certification: Pediatric Infectious Diseases, American Board of Pediatrics (2015)
- Medical Education: Perelman School of Medicine University of Pennsylvania (2000) PA
- Board Certification: Pediatrics, American Board of Pediatrics (2009)
- Fellowship: Emory University School of Medicine (2009) GA
- Residency: Children's Hospital of Oakland (2009) CA
- Fellowship: Children's Hospital Oakland (2006) CA
- Internship: Children's Hospital of Oakland (2001) CA
- Fellowship, Emory University School of Medicine , Pediatric Infectious Diseases (2009)
- Residency, Children's Hospital & Research Center Oakland , General Pediatrics (2007)
- M.D., University of Pennsylvania School of Medicine (2000)
- B.S., University of California, San Diego , Animal Physiology & Neuroscience (1996)

Teaching

GRADUATE AND FELLOWSHIP PROGRAM AFFILIATIONS

- Epidemiology (Masters Program)
