### Bio

---

#### BIO

Vivien Sun is a pediatric hospitalist and Clinical Assistant Professor within Stanford's Division of Pediatric Hospital Medicine. She practices at Stanford Healthcare-Valleycare and California Pacific Medical Center. Vivien's interests include medical education, professional development, and caring for the underserved.

Vivien graduated from Harvard University with a BA in Chemistry with a language citation in Mandarin. She went on to receive an MPhil in Public Health from Cambridge University and an MD from the University of California, San Francisco. She completed her pediatrics residency at UCSF with the Pediatric Leadership for the Underserved (PLUS) program. Upon completion of residency, she served as Chief Resident of pediatrics at UCSF-Mission Bay.
