#### BIO

Originally from Atlanta, Georgia, Dr. Hill attended Stanford University, where she was a member of the Stanford women's varsity swim team and graduated Phi Beta Kappa. She then received her MD from the Stanford School of Medicine, and completed her residency training in Pediatrics at Stanford. Her research has focused on the Female Athlete Triad in collegiate athletes. A board-certified pediatrician, Dr. Hill enjoys working with teens and young adults in eating disorder clinic, teen (primary care) clinic, and athlete nutrition clinic. She also is passionate about medical education, and currently directs the Adolescent Medicine rotation for medical students and residents. She lives with her husband and young children in the Bay Area.
