Bio

BIO

Dr. Pantaleoni is a Clinical Assistant Professor of Pediatrics in the division of Pediatric Hospital Medicine. She devotes her clinical time as a General Pediatric Hospitalist to the care of hospitalized children and their families at both Lucile Packard Children's Hospital and El Camino Hospital, in the Packard El Camino unit (PEC). She is also an Educator 4 CARE (E4C) at Stanford University School of Medicine and greatly enjoys fostering clinical skill development and professional identity formation with the Stanford medical students. Her scholarly interests surround undergraduate medical education, humanism in medicine and physician wellness.
