

Maya Rossin-Slater

Associate Professor of Medicine (Health Services Research), Senior Fellow at the Stanford Institute for Economic Policy Research and Associate Professor, by courtesy, of Economics

Health Research & Policy

 Curriculum Vitae available Online

Bio

BIO

Maya Rossin-Slater is an Assistant Professor of Health Research and Policy at Stanford University School of Medicine. She is also a Faculty Fellow at the Stanford Institute for Economic and Policy Research (SIEPR), a Faculty Research Fellow at the National Bureau of Economic Research (NBER) and a Research Affiliate at the Institute of Labor Economics (IZA). She received her Ph.D. in Economics from Columbia University in 2013, and was an Assistant Professor of Economics at the University of California, Santa Barbara from 2013 to 2017, prior to coming to Stanford. Rossin-Slater's research includes work in health, public, and labor economics. She focuses on issues in maternal and child well-being, family structure and behavior, and policies targeting disadvantaged populations in the United States and other developed countries. She is the recipient of the National Science Foundation CAREER Award, and has published articles in a variety of peer-reviewed journals, including the American Economic Review, Journal of Political Economy, American Economic Journal: Applied Economics, American Economic Journal: Economic Policy, Journal of Health Economics, Journal of Public Economics, and Proceedings of the National Academy of Sciences.
